SUPPORT & TRAINING

We provide an extensive training program to ensure that when your store opens you are comfortable and experienced in all aspects of running your successful business. Our program provides you with 5 days at our headquarters and training facility in Victoria, BC Canada. During the training we teach you what it takes to operate an efficient and successful Sabri Naanwich® Franchise.

Our Training program involves extensive in-store training from our experienced trainers. During this period we will train you in everything from Naanwich, Soup, Beverage and Dessert preparation, scheduling and ordering, customer service, management control systems to the training of your new staff.

In addition our trainers will come to your store during the first week of business to help you prepare for your grand opening. You will be assisted in implementing marketing tools to get your name out in the community, will be helped to ensure your employees get comfortable with daily operations, as well as behind the scenes help with scheduling, ordering, and training.

FINANCIAL SUPPORT

Preparation and information are critical factors needed for any business to succeed. At Sabri Naanwich®, we recognize the need to spend quality time with each franchisee and we take pride in knowing that the support we provide to our franchisees is one of a kind in service and quality.

Unlike most franchises in Canada and the US, the start-up costs with the Sabri Naanwich® Franchise are reasonable. Below is our estimate of the approximate initial costs of a Sabri Naanwich® franchise, including operating costs and working capital requirements for the first three months of operation.

The Sabri Naanwich Franchise team will assist you in every way to garner Financial Support to excel your Franchise.

Estimated Initial Costs:

| | |
|--------|---|
| Canada | (\$CDN) from \$115,000 |
| US | (\$US) from \$109,000 |
| | (Real Estate and/or Lease not included) |

We supply 3 months worth of financial support! Ask for details!
